For Static Blogs/Sites

*new or modified Source
Line Of Code

Hourly
\$24.99

per hour, billed weekly

Unlimited Pages
For Small Site Updates

Additional charges: \$0.00!
First hour billed upfront

I will design & code your site at competitive rates. Keep in mind that most websites usually cost THOUSANDS of dollars. Note that pricing is subject to change and *DOES NOT* include the cost of a monthly/annual domain subscription or the 5% administrative fees charged per invoice. Prices are negotiable (ask about the **EXCLUSIVE** nonprofit discount!) - schedule a free consultation today to get the price you deserve!
